CRIME PREVENTION ADVICE

Each night before you go to bed please ensure your property is locked and take keys upstairs with you or hide somewhere hidden away

NEVER leave keys in doors or near to windows or letterboxes as they can easily be snagged by the 'hook and cane' method commonly used

Thieves will steal from you no matter what your circumstances are

Don't make it easy for them as it's too costly

You may not be insured if your property and vehicle are left insecure

**To report incidents, crimes and matters of concern
Please ring 101 first and foremost**

**If you think you are witnessing a crime taking place
dial 999 immediately**
